Dear Parent/Carer,

We have had a great couple of days back with the students and have been delighted to welcome them back. Our year 7s have shown strong resilience this week with the transition, and we have been very proud of how they have worked with each other and are starting to build new friendships. We have also been so pleased to welcome our new students into Year 12, who are already starting to have a positive impact around the school. We have just a few messages below for this week.

We are also looking forward to sharing more information with you next week about the **fantastic range of extracurricular clubs and activities** available to our students. There are opportunities across sport, music, the arts, academic subjects and much more, with something for everyone. We will provide details of the clubs available and explain how students can sign up and get involved. As a reminder no after school activities start until week commencing 14th September.

Ms. Anna Hewes
Head Teacher
