Dear Parent/ Carer,

Many of our Year 9 students have had an unforgettable week in the Lake District, embracing every challenge that came their way. From gorge walking and river jumping to team-building activities and

a camping expedition, they have shown tremendous resilience, courage and determination. It has been wonderful to see them stepping outside their comfort zones, supported every step of the way by our fantastic teachers and support staff.

Meanwhile, our Sports Leaders represented Prince

William School brilliantly at the EMAT Olympics in Kettering. Working alongside world champion athlete and Olympian Jamie Baulch, they supported students from across the trust while taking part in a range of sporting and leadership opportunities. They were excellent ambassadors for our school and demonstrated the confidence, teamwork and leadership qualities we are so proud of.

Looking ahead, we are excited to launch our first EMATters Enrichment Week and are delighted to be welcoming Loud Speaker to support the programme. Full details of the activities on offer will be shared next week through the Prince William Perspective, and we cannot wait for students to experience the wide range of opportunities available.

As another busy and successful week comes to a close, I would like to thank our students, staff and families for their continued enthusiasm and support. The opportunities our young people experience, both in and beyond the classroom, help them to grow in confidence, resilience and ambition, and it is a privilege to see them making the very most of them.

A handwritten signature in blue ink, which appears to read 'Anna Hewes'.

Ms. Anna Hewes
Head Teacher

Late Bus: Don't forget that every day there is a late bus that departs from outside of reception. For children who have a Bus Pass for the 94 this is a free service. For those who do not have a bus pass, this service is capped currently at £3. For more information about stops [click here](#).

First Aid Courses: Please see the attached information about a free Youth First Aid course for young people aged 10-19 years, delivered by the British Red Cross, at Oundle Hub on the Tuesday 27th October 1-2pm. Places can be booked using the QR code on the [flyer here](#) or via the link: [Courses, Events and Things to Do](#)

Stem Festival: Are you looking for an inspiring and interactive weekend activity to spark your child's curiosity? We are delighted to share details about the upcoming **Peterborough STEM Festival**, a fantastic local event celebrating all things Science, Technology, Engineering, and Mathematics. Inspired by Ada Lovelace Day, this flagship community event is designed to engage young minds, showcase real-world innovations, and demonstrate how exciting STEM subjects can be outside the traditional classroom. To view the full programme of exhibits or secure your free tickets, please visit the official [Peterborough STEM Festival website](#).

Authors in Oundle: Are offering a free ticket to any student accompanying a paying adult. For more information [click here](#). Please give names to Mrs Walne in the Learning Resource Centre and I will communicate with Helen Shair from Authors in Oundle.

Please click the links below to go to the year group updates for your child.
